The Centerpiece of Family Entertainment

Roland’s V-Drums are world famous for their incredible sound and expressive performance. Today, the V-Drums family gets an exciting new addition with the V-Drums Lite — a new-generation drum kit that expands the definition of drumming. This compact kit is powerful and expressive enough for pros yet fun and friendly enough for beginners, gamers, and home-entertainment enthusiasts. You don’t need to be a drummer to enjoy this fun, cool instrument at home. Gather your friends and family, and let the fun begin!

V-Drums Lite HD-3
V-Drums Lite — Entertain and Enjoy

**Easy Operation**
With its dedicated select buttons, informative backlit LCD, and easy-to-read controls, the V-Drums Lite is simple to use.

**Small Price, Big Performance**
Its footprint is small, but the HD-3 sounds and performs impressively large with 20 preset kits. Based on Roland's legendary V-Drums, this little kit is a dream for beginners, casual players, gamers, as well as for parents.

**Designed for Low Acoustic Noise**
Since V-Drums Lite offers low vibration and low noise with its mesh head and beater-less kick, it's a dream to play at the home. Best of all, its volume level can be completely controlled via volume knob and/ or headphones, you can play in privacy day or night without disturbing others.

**Improved Pads and Cymbals**
Play naturally with the V-Drums Lite, including cymbal chokes and snare rim shots. The newly developed cloth-head pads feel and respond like acoustic toms.

**Family Centerpiece**
The HD-3 is a great way to enhance musical expression and enjoyment in your home. Used along with other popular instruments such as Roland’s digital pianos, the HD-3 will serve as the nucleus for family fun and musical enrichment.

**Cymbal Choke**
You can strike a cymbal and then immediately grab the cymbal with another hand to mute the sound.

**Beater-less Kick**
The newly improved beater-less kick drum provides an enhanced playing feel with low acoustic noise.

Its footprint is small, but the HD-3 sounds and performs impressively large with 20 preset kits. Based on Roland’s legendary V-Drums, this little kit is a dream for beginners, casual players, gamers, as well as for parents.
**Compact and Stylish**

Thanks to its compact and attractive design, V-Drums Lite will complement any room.

![Image of V-Drums Lite](image)

**Quiet, Natural-Feel Mesh Head**

The mesh head feels and responds like real drums. They are comfortable, quiet, and won't hurt your wrists.

**For All Ages**

By only adjusting the height of the pads in an easy way, drummers of all ages can play in a comfortable position.

![Image of V-Drums Lite](image)

**Useful Metronome and Mix Input for Jamming**

The V-Drums Lite is equipped with a built-in metronome and mix input jack for connecting audio players. Jam along with your favorite songs, and control the blend of music and your live drumming.

**Options for Playing the V-Drums Lite**

Enhance the V-Drums Experience in the Home
