

NEW DSP FULLRANGE MODELS

THE SOUNDMAKERS

PREMIUM PR:0

THE GERMAN AUDIO STANDARD >

The made-in-Germany quality of PREMIUM PR:0 is noticeable in every detail. Featuring top-drawer components and advanced DSP technology in resonance-resistant, roadworthy wood enclosures, these speakers deliver the outstanding audio performance their 'premium' name suggests.

Debuting in 2016, the active DSP-based fullrange PREMIUM PR:0 models come with state of the art features.

Retaining their popular predecessors' highly acclaimed attributes such as roadworthiness, excellent speech reproduction, and intuitive, plug and play handling, these units are the perfect counterparts to the PR:0 210 SUB A and PR:0 18 SUB A powered subwoofers.

MADE IN GERMANY WITH A FIVE-YEAR WARRANTY
