DIGITAL UPRIGHT PIANOS
The DP-6 Digital Piano is a high quality digital piano with a full size 88 note, weighted hammer action keyboard, that replicates the feel and tone of a real acoustic piano without the hassles of tuning and maintenance. With a great sound and feel, easy to use controls and plenty of input and output options, the DP-6 represents great value for money at a highly competitive price.

The DP-7 compact digital piano in black is ideal for the player with limited space. The piano has a range of functions and effects, including chorus, reverb, transpose and metronome. The DP-7 can also be connected via USB to a computer and has inputs and outputs for ensemble playing.

The DP-10X Digital Piano is equipped with a weighted 88-key hammer action keyboard and three expression pedals, giving an authentic and realistic playing experience. With 24 voices, Reverb, Chorus and Octave, it also offers a variety of great sounds and expressions. Presented in a number of finishes, this piano offers fantastic value for money for beginners and advancing musicians.

With brilliant touch and playability, ultra-realistic sounds and plenty of professional features, the DP-20 Digital Piano is a beautiful item offered at a very competitive price. Combining stunning looks with realistic sounds and playability, this beautifully crafted instrument is the perfect addition to any home or venue.

The DP-50 is a diverse and fully functional digital piano with a high end cabinet. The piano features 88 graded hammer action keys, 250 voices and a range of effects and controls. With a 16 track sequencer and 100 lessons, the DP-50 caters for beginner players as well as budding composers. A host of inputs and outputs makes it suitable for all kinds of performance and recording situations.

The DP-70U digital piano is a fantastic purchase for any beginner wanting to progress on to an instrument with weighted hammer action style keys, or for a child working through exams. This Gear4music flagship model offers great voices along with a number of functions and effects to bring a sophisticated piano at a cheap price!

The DP-90U digital piano by Gear4music is an 88 note hammer action instrument with an authentic looking upright body in a polished ebony finish. Featuring a 16 upgraded hammer action keyboard with 256 note polyphony, and 40 realistic voices, this piano feels and sounds fantastic. Two headphone outputs make it suitable for home learning and the microphone input and stereo jack output equips the instrument for live performance too.
