- Protective TV patches - Protect the rear of your TV with soft protective patches
- Easy cable access

Stylish and safe: flat TV wall mount for TVs from 32 to 77 inches

Would you like to mount your flat screen TV stylishly and securely on the wall? With this COMFORT Fixed TV wall mount, you are choosing design and safety. The wall mount is suitable for mounting TVs from 32 to 77 inches and weighing up to 50 kg flat against the wall. The space between the TV and the wall is only 2.2 cm. COMFORT Fixed TV wall mounts cannot be turned or tilted. So, if you always sit directly in front of your TV, this is the perfect wall mount for you.

Carefree enjoyment of your TV

Your TV is a valuable and fragile piece of equipment. So, you are looking for a TV support on which to mount your TV absolutely securely. Especially if you have a busy family with children or pets. The COMFORT Fixed TV wall mount is specially developed for this purpose. It offers carefree enjoyment. Meets the highest safety requirements Safety comes first with the COMFORT Fixed TV wall mount. For example, the wall mount is equipped with the ClickLoc™ security system. This locks your TV to the wall mount with an audible click. To protect the back of your TV when mounting, the wall mount is equipped with soft patches. Convenient maintenance position The wall mount has a convenient maintenance position. This allows you to access the cables or USB ports on the back of your TV even after installation. Ease of installation COMFORT Fixed TV wall mounts are designed for easy installation. The Quick Installation Guide will help you. A detailed manual and special installation video can be found online. A drilling template, screws and Fischer® DuoPower plugs are included in the packaging. This means that you can get to work straight away. Our free DrillRight™ AR App makes it easy to mark out the first drill hole and the wall mount has a built-in spirit level, which is also handy.
